

Tips for effective hybrid work

How can we create a vibrant campus and build connections with hybrid work? Here's a snapshot of recommendations that can help.

HYBRID MEETINGS

- Organize training on how to set up AV in your meeting room(s)
- Ensure social and collaborative aspects are available to remote participants

CONNECTING & COLLABORATING

- Connect with colleagues once a month for 30 minutes, either in person or online
- Establish quarterly or monthly team building activities

WELLNESS

- Create online contests, talks, lunch and learns or games for your team
- Set up a book club, music club or fitness challenges

TRAINING & PERSONAL DEVELOPMENT

- Leverage existing training material and access to learning services, such as LinkedIn Learning
- Share what you learn with your team
